

# Reading Group Conferences

Class: \_\_\_\_\_

Year: \_\_\_\_\_

# About This Resource

These reading conference recording sheets are designed to be used as a tool that teachers can use to record important information about how a student is reading, the strategies they are using and to identify reading goals for the future. This resource contains two different recording sheets – a group recording sheet and an individual student recording sheet.

## Terms & Conditions

By using this resource you agree to:

- Not benefit financially from this resource or it's contents
- Not copy or modify this resource without permission
- Not post or share this resource online or in a shared drive without permission
