

**What do you see, observe or notice in this picture?**

# Visual Literacy

Alice Vigors  
2016

*Understanding and interpreting images is the basis of Visual Literacy. Examine the image below and answer the questions to draw conclusions.*

**What do you think happened before this image was taken?**

**What do you think happens after the image was taken?**

**What questions or puzzles do you have about this image?**

**Draw conclusions: What is happening in this image and why? Write a short explanation.**
